KAYSVILLE WATERWORKS

Commercial Club, in Conjunction With City Officials, Attacks Matter in Earnest.

Kaysville, March 5.—The Kaysville Commercial club at a recent meeting decided to push the matter of having a system of waterworks installed for Kaysville City, and last night a committee of the club met with the city council and urged that immediate action be taken in the matter. The committee found the members of the council in full sympathy with the movement, and after a discussion of the probable water supply, the feasibility of tapping and developing springs in the mountain, and the manner of raising the necessary money for the project, the council referred the question to the waterworks committee, with instructions to act in conjunction with the Commercial club committee, and to go right at the preliminary work. The two committees, consisting of Mayor Heber J. Sheffield, Councilmen George Swan and George H. Blood, representing the club, will meet tomorrow night to formulate plans that will, it is hoped, make a waterworks system for Kaysville within a year.

The Commercial club last night petitioned the city council to open a four-foot street extending from the west end of Cherry street, as at present platted, and running west to the eastern boundary of the city. The petition was accompanied by a copy of a similar petition, which was presented to the city commissioners in December, 1935, in which it was asked that the county open a road four rods wide connecting West Kaysville with the city proper. The county is asked to open the road from the western city limits to a point near George Scottfield's residence in West Kaysville. If the two petitions are acted upon it will mean the establishing of a direct highway between the two parts of the city, and the saving of a mile of travel in getting uptown. The proposed new road will be three-quarters of a mile long.

SCHOOL BUILDING DAMAGED

Cave-In of Earth Crashes in Rear Wall of New Structure at Highland Boy.

Bingham, March 5.—The new school house at the Highland Boy was damaged by a cave-in yesterday afternoon. Workmen were engaged in excavating at the rear of the building for the purpose of erecting a concrete wall to prevent just such an accident from happening again. The ground being wet and unstable gave way, crushing in the rear wall and causing about \$2,500 damage to the building. Itself was entirely completed, with the exception of the walls, and would have been occupied some time next week. Because of the accident its occupancy will be indefinitely delayed.

PROVO NEWS NOTES.

Provo, March 5.—Mrs. R. E. Brecken of Pleasant View has received a telegram from Woodruff, Ariz., announcing that her father, John Readhead, died there Monday, the age of 85 years. Mr. Readhead was for many years a resident of Provo, but went to Arizona about thirty years ago. He was an energetic, intelligent man and took an active part in the development of the country, both here and in Arizona. Mrs. Brecken has gone to attend the funeral.

Leslie Elbert, the 8-month-old son of Mr. and Mrs. Charles Yacher, died last night from complications of a cold. The funeral will take place from the residence tomorrow (Wednesday). The service will begin at 2 o'clock. The remains of Mrs. Rebecca Westwood will be held tomorrow (Wednesday) in the Adventist church, beginning at 1 o'clock.

On Thursday evening the B. Y. C. orchestra, under the direction of Professor M. E. Gudmundson, will give a concert in the opera house. Tomorrow (Wednesday) night, beginning at 8 o'clock, in Room 27 of the E. Y. C. high school building, the Forum and the College debating club will discuss the question: "Resolved, That socialism has done more for the advancement of humanity than altruism." Rev. J. Challen Smith and R. R. Irvine, Jr., of the Forum, will take the affirmative, and Ed M. Rowe and Ed A. Morgan, of the College club, the negative. Friends are invited.

Benjamin Goddard of Rockford, Ill., and Vivian B. Holmes of Salem, Ore., were married here today by Judge Booth. The couple will reside in Idaho.

A marriage license has been issued to Stephen L. Anderson of American Fork and Leah Kirkham of Lehi.

Martin Clinger has been appointed road supervisor of the Lake View precinct. County Surveyor Wentz has been appointed roads correspondent for Tith county by the state good roads association.

E. E. Hopkins is here from Morgan for the purpose of buying a place suitable for a chicken ranch. He expects to go into the business on a large scale.

The city council has authorized the payment of \$5 for a plan for marking the West square, to be accepted by the council; \$10 will be paid for second and \$2 for third choice of plans submitted.

Frank Ramsey has returned from a trip to California.

A DEADLOCK MAY RESULT

Resignation of Commissioner Larkins Causes Much Strife Among Aspirants.

Farmington, March 5.—The vacancy in the board of county commissioners caused by the resignation of James H. Larkins is creating a great deal of strife among aspirants for the place. Mr. Larkins was a Kaysville man, and the Kaysville Republicans hold that he has the right to name a successor to Mr. Larkins is clearly theirs. Farmington people are using their claims, however, and have united on C. H. Bourne, the son of the late Warren D. Bourne, and have backing from Warren D. Bourne. Petitions for such action are being circulated, and the commissioners yesterday, both numerous and divided, decided to hold the appointment until the next session. It is understood that Commissioner Randall is favorable to Mr. Bourne, and that Commissioner Perotius is for Mr. Barnes. It is even hinted that the commissioners are in their feelings that a deadlock is possible.

The county commissioners were petitioned yesterday by the Commercial club and seventy-five citizens to open a four-rod road to connect the east and west parts of Kaysville. The road in question was opened and used a number of years ago, but property owners were allowed to close it and use the land, and now in order to make a public highway of it, a large amount of way will have to be purchased. The commissioners referred the petition to a committee of the whole, and they will meet a like committee from the Kaysville city council and together go over the ground.

COMMISSIONERS' DOINGS.

Dr. E. K. Ward Resigns as County Physician and W. J. Barsley Appointed to Fill Vacancy.

Council, March 5.—The county commissioners met in regular session yesterday and transacted the following business:

Official bonds of all road supervisors were approved.

On recommendation of Superintendent of Schools N. M. Boyden, the sum of \$1,500 was set aside from the county school fund for contingent expenses of the superintendent's office, institutes, etc.

Statements of the recorder's fees for the month of February amounted to \$18.55. Clerk's for the same month, \$28.50; sheriff for January, \$10.00.

Resolution was passed creating a precinct out of Francis school district. One of the schoolhouses was placed under the name of William Prescott constable of the new precinct.

Petition of J. T. Leonard for rebate of flour license was denied.

Resignation of Dr. E. K. Ward as county physician was accepted, and W. J. Barsley was appointed to fill the vacancy.

The commissioners as a board will in the near future make a tour of inspection of all roads owned and controlled by the county.

Bills to the amount of \$1,004.28 were ordered paid.

WILL PURCHASE NEW HOME

Park City Elks Have So Decided and Much Activity Is Manifested.

Park City, March 5.—Perhaps the most important meeting which has been held in Park City since the Elks' move to the new club house was the meeting of last evening, when the Elks' committee reported on the purchase of a new home. The matter was finally settled and the lodge will have a good active club just as soon as the new home is installed and the place got ready for the new venture.

The building is to be purchased, and ways are being devised for the purchase. The Elks' committee is confident that the new home will be ready for occupancy by the end of the month.

C. W. Gulliver, who has been a resident of Park City for a number of years, coming here when the Park City Elks were in infancy, has disposed of his business interests in camp and will leave in a day or so for California.

DEATH OF D. W. THOMAS

Pioneer and Black Hawk War Veteran Answers Last Rollcall.

Lehi, March 5.—Daniel W. Thomas, one of Lehi's most prominent citizens, died yesterday after a long illness. For several years he had been suffering from a cancer in the head and when death came it was welcomed as a sweet release.

The deceased was born in Nauvoo, Ill., Dec. 11, 1841. He left there with his parents during the Mormon expulsion in 1846, and remained in Winter Quarters until 1849, when his parents came to Utah. He had been married to Mrs. Mary Thomas for many years.

He had borne to him ten children and twenty-one grandchildren, nearly all of whom, with his wife, survive him.

The funeral services will be held in the first ward tabernacle tomorrow at 1 o'clock.

Newell A. Brown, who will be 70 years of age in November, is rejoicing over the advent of a son and heir, which arrived last night. Mr. Brown has been married once before, but his offspring were all of the gentler sex. He married his present wife about one year ago.

FOR SCHOOL BETTERMENT

County School Trustees in Session at Bingham Junction Decide on New Buildings.

Bingham Junction, March 5.—At the regular meeting of the board of education of the Jordan school district, held on the 4th inst., considerable business of importance to the school portions of the south end of Salt Lake county was transacted, among the most important propositions discussed and disposed of being the following:

It was decided that the board should advertise for bids for the construction of a modern school building of eight rooms, to be erected at South Jordan. Said bids are to be opened on the 26th day of March. For some years the school at this part of the district has been considerably handicapped because of the congested condition of the present school building. The new building will be adequate for all who desire to attend.

Because of ample provisions being made in the new and up-to-date school building of nine rooms now nearing completion in the Union district, it was decided to open bids for the sale of the old West Side school building near State street. Several people seemed to be anxious to procure the building and grounds, but none reached the valuation placed upon the same by the board, hence all offers were rejected. The property will be re-advertised for sale.

Sandy is to be provided with a modern school structure of twelve to fourteen rooms. Bids for the building of the same were opened and discussed. The mason work was awarded to Matthew Gibbs of Midvale for the sum of \$14,800. The carpenter work was awarded to Benjamin Gordon for the consideration of \$2,400. The final contracts for four rooms are to be completed and ready for use by the first of September.

The board of education desires it understood that they intend enforcing the compulsory attendance law. To that end they have issued a number of circular letters during the year, to all patrons of the district, emphasizing the importance of their children attending school, and explaining to the parents just what the law means and regarding its enforcement.

Thomas Vandersy of Jordan has been employed by the board as a truant or probation officer to look into all cases of non-compliance with the law. He has had four cases of delinquency from East Jordan, one from Draper and one from Riverton taken before the juvenile division of Judge Armstrong's court on Monday. In each instance the judge demanded that the parents comply with the law in sending their children to school, and explained that if they were not sent to the district school they may be sent to the state industrial school at Ogden.

PENROSE COURT-MARTIAL.

Witnesses for Defense Will Go on the Stand Today.

San Antonio, Tex., March 5.—The cross-examination of the witnesses who testified at the morning session of the Penrose court-martial case today. The witness testified to seeing the flight of the gun behind the rear wall, which he heard the men jump over the wall. The men who jumped the wall had guns and were firing, he said.

With the placing of Second Lieutenant H. S. Grier, Twenty-fifth Infantry, on the stand this afternoon the prosecution practically closed its case. The defense has about twenty witnesses to introduce.

Lieutenant Grier, who was one of the officers stationed at Fort Brown, related the occurrences on the night of the raid. He said he believed everybody in the rear wall had been attacked from town.

Two Men Killed While Walking on Track at Oakland, Cal.

Oakland, Cal., March 5.—W. P. Joseph, proprietor of the Golden Gate laundry, and Alfred W. Hoff, a helper, were killed by the Berkeley local train tonight while walking along the tracks between South Berkeley and Golden Gate.

The two men had just returned from the inspection of a site for a new laundry in South Berkeley, and were probably engrossed in the discussion of business plans, so that they did not hear the approaching train. The accident occurred at a curve where the Santa Fe tracks cross the Southern Pacific.

MONEY NOT MISLAID.

Chicago, March 5.—Any possibility that the missing \$17,000 from the local sub-treasury might have been mislaid with the currency on hand was eliminated today when the four experts from the United States treasury at Washington counted the last of the paper money in the vaults. "It came out correct to the dollar," said Sub-Treasurer Boldenweck. Tomorrow a count of the gold and silver in the vaults will be begun.

POSITION OF AUSTRIA.

Vienna, March 5.—During the audience yesterday between Emperor Francis Joseph and Professor Dr. Martens, the Russian imperial counselor of state, the emperor told his visitor that in certain important questions, including that of the limitation of armaments, Austria would act in concert with Germany at The Hague peace conference. His majesty expressed warm hopes that the conference would be successful.

CONTEST IS EXCITING.

London, March 5.—An interesting contest is imminent between Lord Curzon and Lord Rosebery for the vacant chancellorship of Oxford university. It has been supposed that Lord Curzon, who was nominated to this office some days ago, would be returned without opposition, but now Lord Rosebery has accepted a nomination and the matter will be decided on March 14, when the election will be held.

PLEA OF GUILTY.

New York, March 5.—Through counsel today, the New York Herald company pleaded guilty to violating the section of the United States statutes in reference to the sending of improper matter through the mails. Judge Hough of the United States court announced he would pass sentence on April 2.

Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs and prevents serious results from a cold.

There is no danger of Pneumonia, Consumption or other serious lung trouble if Foley's Honey and Tar is taken, as it will cure the most stubborn coughs—the dangerous kind that settles on the lungs and may develop into pneumonia over night.

If you have a cough or cold do not risk Pneumonia when Foley's Honey and Tar will cure you quickly and strengthen your lungs.

Remember the name — Foley's Honey and Tar—and refuse any substitute offered. Do not take chances with some unknown preparation that costs you the same when you can get Foley's Honey and Tar, that costs you no more and is safe and certain in results. Contains no opiates.

Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of Foley's Honey and Tar, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

New Era Paint

Saves Money

Twenty-three months ago two brothers, who were also neighbors and had homes alike, painted their houses. One was convinced that "New Era" was the proper paint to use. The other was prejudiced and insisted upon using "hand mixed" lead and oil. The same painter did both jobs. Last week the lead and oil brother gave us an order for "New Era" Paint. His house needed painting again. The "New Era" house is in first-class condition today.

On every gallon can of "New Era" Paint is a tag containing the makers' guarantee of purity; also an "Acme Quality" label. This Acme quality label is a mark of merit that distinguishes the product of scientific methods systematically applied to paint reduction—a mark that stands for highest quality—better raw materials—careful handling—a product that is right—without increased cost.

Whatever you may buy that goes on with a brush, the "Acme Quality" mark is your guarantee of superior and reliable quality and unquestionable value.

As representative "Acme Quality" products we mention Varnolac (for floors and furniture), Granite Floor Paint, Neal's Carriage Paint, Colonial Floor Wax, Neal's Enamels, Acme Quality Varnish, Etc.
